## Spring City Council Race Seems Sure

A race for three seats on the Grayling City Council seems assured with five Grayling men now circulating petitions. The election is set for Monday, April 3rd, City Manager Harold S. Cliff stated.

The term of Mayor J. F. Cook, DDS, is expiring along with that of Councilman James Duley and Howard "Whitey" Madsen. Both Duley and Madsen have indicated that they would not seek re-election. Both were originally appointed to the Council to fill vacancies. Both were subsequently re-elected to full four year terms which they are now completing.

Dr. Cook is one of the five who has nominating petitions out and thus apparently will seek re-election. Others who have nominating petitions issued by the City of Grayling are: Derek McEvers, Robert Gombick, Paul Thomson and Clarence "Tony" Gross.

The nominating petitions signed by the provided number of voters must be filed no later than noon on Saturday, March 11 with the Grayling City Clerk to be assured a place on the ballot.

## Area Scouts In Budget Squeeze

Area Boy Scout leaders are faced with the problems posed by a \$4,500 budget deficit.

Gilbert J. Ward, Midland, finance chairman of the Paul Bunyan Council, Boy Scouts of America, gave members of the six-county Council's executive board the bad news Thursday evening at a dinner meeting in the Our Saviour Lutheran church, Gladwin.

Ward pointed out that the Council had already trimmed their budget from its original figure of \$66,465 to \$65,750 — a figure approved by the Midland Community Fund.

Ward's report, however, showed that even with that cut back the Council's income was not meeting the local Scouting program's needs by more than \$4,000.

Support from Midland, Oscoda-Wurtsmith Air Force Base and the Tawas Area community chest drives put \$37,737 in the Scout's coffers. Solicitation in other areas has brought in another \$9,012.

Special gifts and pledges from interested individuals and organizations give them another \$3,000.

"We started out with a budget that contained not a fat," Ward said, "Further trimming can only be at the expense of the quality of the Scouting program offered in the area served by the Paul Bunyan Council."

## CITY POLICE ISSUE FOUR TRAFFIC TICKETS

City Police issued summonses to Ralph J. Hessel, 18, of Grayling on February 25th on the charge of careless driving and causing an accident; to Gerald August Stubbe, 18, of Inkster, for speeding and driving with lights turned off, on February 26; to Erwin Allen Kurth, 39, of Frankfort, for permitting an unlicensed driver to drive a vehicle on February 25th. The three above have or will appear before Justice Olin Williamson.

On February 25th a 16-year-old youth from Whitmore Lake, Mich., was charged with failing to stop for a traffic light and for driving a vehicle without an operator's license. He will appear before Judge of Probate Emil Kraus.

Early Sunday morning, February 26, there was a breaking and entering at the Moose Lodge bar and an undetermined amount of money taken. City Police are investigating.

## Two Area Scout Districts Combined

The Executive Committee of the Paul Bunyan Council Boy Scouts of America at their meeting last week in Gladwin, took historical and far-reaching action by combining the present two districts, Northland and large, composed of Crawford, Roscommon, Ogemaw and Isosco counties, into one District, with 31 units and 1,112 boys.

This action was taken to facilitate the work of the two old districts and the Scouting program as a whole. Due to this change, District Chairman, Frank Carey, was elected Vice-President of the Council.

Other representatives from this area are: Ed Miller, Fred Bear, Gerald McEvers and Robert Strong, Grayling; Judge James Ingelso, Donald Dow, and Wm. Ingelso, Roscommon; Merle E. Hopper, National Council Representative, Higgins Lake, Don Elgas, Profenille, E. C. Munn, Houghton Lake.

The Board also approved plans for the improvement of the Camping Program at the Paul Bunyan Scout Reservation, north of West Branch, for the coming summer, when they authorized the sinking of two wells, improved water front facilities and the assigning of part of the land to the local community.

MAP SCOUT FUND DRIVE — The five men pictured above met late last week to make plans for the Scout fund drive being held in Grayling this week. ## Vikings Split Final Two Cage Games

In their final two basketball games of the regular season last week, the Grayling Vikings split with a loss Tuesday at Roscommon in a non-conference battle and a victory at Mancelona last Friday in the season finale.

In their conference action last week prior to the District tournaments, Harbor Springs went down to a 66 to 47 defeat at Boyne City on Tuesday in a makeup game but then on Friday night, the Vikings traveled to Harbor Springs and the Rams whipped Boyne City 61 to 56. Charlevoix and Gaylord wound up neck and neck for the loop crown with the Rayders dumping Pellston 75 to 38 and the Blue Devils stopping East Jordan 87 to 40.

Tuesday night at Roscommon, the Vikings couldn't get going and trailed 21 to 12 at the end of the first frame and 45 to 24 at halftime. The Green and White came back

## Lovells Getting New Telephone Service

General Telephone Company announced the starting of installation of telephone service in the Lovells and McMaster Bridge Areas this week.

"This area, recently annexed to the Grayling Exchange, covers over 100 square miles. Construction of the cable facilities was started in September of last year and completed in mid-December. An addition to the Central Office equipment, needed to provide numbers for the new customers, was completed last week. These two projects represent an investment of over \$250,000," A. R. Murphy, District Manager stated. "We have had requests for telephone service from this area for many years. Until the area reached its present state of development, it was not economically feasible to extend our facilities," he continued.

Many of the people that have requested service in the past have not up-dated their applications. Mr. Murphy suggested that anyone who desires service should contact the Roscommon Business Office if they have not done so in the past twelve months.

## County Red Cross Volunteer Meeting

Eleven Red Cross volunteers attended a meeting of the Red Cross held at Chief Shoppenagons Motor Hotel on Tuesday afternoon. George Hutchins of Flint, Red Cross Regional Director spoke to the group answering many questions and explaining Red Cross policy.

He explained that to live up to a Red Cross charter a Chapter must do four things, namely, give service to military families, give aid if a disaster strikes, conduct a fund drive and keep the public informed. The blood program which has been very successful locally is a permissive program. Aid to military families has to come first. The drive for funds began March 1st. If enough money is not collected the blood program will have to be discontinued.

Mr. Hutchins screened a movie showing the work Red Cross does during a disaster, also in Viet Nam.

The success in the establishment and growth of insurance education facilities at Michigan State University following the enactment of rigid licensing qualification laws prompted this invitation. The Act itself, and particularly the comprehensive educational program of the Michigan Association of Insurance Agents with full cooperation from the Michigan Department of Insurance at Michigan State, has been a model throughout the Nation for several years. Their publication "Insurance Reference Manual," now in its eighth edition, has been reprinted by many state insurance organizations in this country.

## There Should Be a Limit . . .

It has become very difficult for the average citizen to save for his old age. Federal and local taxes take most of the surplus an individual can accumulate. If the tax collectors don't get it while he is alive, they take as much of his estate as possible when he dies.

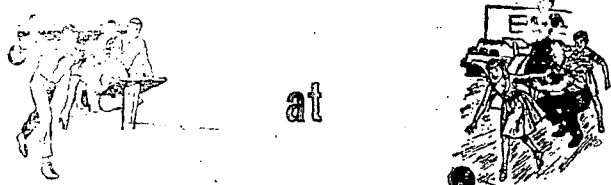

More and more older people depend on various government handouts. This is the penalty for government seeking to provide everybody with a tax-purchased ticket on a political gravy train. It ultimately means the death of individual independence.

There is hope, however, that the young people who see their earnings taken for all manner of political schemes will awaken in time to vote "no" to most of the fantasies of the tax and spend planners.

Some leaders in Congress are already saying it is time to "stop, look and listen". The world has never seen such prodigal public spending as the U. S. taxpayer is asked to sanction.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVALANCHE OF 23 YEARS AGO

March 2, 1944

The promotion of First Lieutenant John H. Peterson to the grade of Captain was announced lately at the Marietta Army Air Field, Marietta, Ga. Captain Peterson, formerly of Grayling, Michigan, is Sub Depot Supply Officer at the Marietta Army Air Field. Just past his twenty-second birthday, he is among the youngest Captains in Army service today. Captain Peterson graduated from Michigan State College in June of 1942 and was commissioned at that time as a Second Lieutenant in the Officers' Reserve Corps. He entered upon active service only a few days later and was stationed at Brookley Field, Alabama, in the Air Service Command. Later he served at Robbins Field, Georgia, before coming to his present post at Marietta. His promotion became effective as of February 2, 1944.

Last Saturday drawings for the M. H. S. A. District Basketball Tournament No. 44 were held at the Grayling High School. Gaylord and Johannesburg drew the opening game and will play at 7:30 p. m. Friday. Fans will have their favorite and pre-tournament choice, but officially they will be determined Saturday night, when the winner of the Gaylord-Johannesburg tilt meets the winner of the Gaylord-St. Mary's-Fairview scrap for the Class D crown, and Grayling tangles with Onaway for Class C laurels. The City of Grayling, through its high school is pleased to be the host of the District Tournament.

Royale Wright is the champion fisherman here this winter. He closed the season Tuesday by spearing a Great Northern pike that measured 44 inches in length and weighed 22 pounds. He and Glenn Penrod were fishing through the ice on Higgins Lake. They were bait fishing and spearing, and had caught a number of large perch and speared some good-sized lake trout, when they saw this monster pike come sneaking up toward their decoy minnow. Followed some quick and energetic action. The spear struck the pike close behind its great head, which greatly stunned it, and the whopper was landed with a minimum of fight. Royale brought the fish around for us to take a peek at it and it was a beautiful specimen and catch to be proud of.

Archie Lozon had the misfortune to slip on the ice, falling and badly spraining his left wrist.

Mr. and Mrs. David Montour left Sunday night for Detroit to visit their daughters for a few days.

Mr. and Mrs. Ernest Hoelsi were in Saginaw Wednesday attending a Standard Oil banquet for that company's agents.

Louis Kraus was home from Assumption College, Windsor, and Miss Virginia Kraus from Hadley, Mich., last weekend.

Miss Natalie Peterson took part in the physical education assembly which was presented to students of Central Michigan College Thursday evening, February 17, in the college auditorium. This assembly is one of the leading and most looked-forward-to events of the year at Central. Natalie was in the folk dancing, the English dance and the minuet.

Sam Rasmussen left Tuesday to visit his son Verner, who is stationed at Foster Field, Texas.

Serving as a rifle scout with an infantry unit in action on the jungle dense Bougainville Island, 24-year-old Private Shirley M. Corsaut of Frederic got his first Jap in a patrol action in which four of the enemy were wiped out without loss to the Americans. The incident occurred when the patrol came upon four Nips grouped around a fire. Son of Mr. and Mrs. Elmer Corsaut of Frederic, the former local farmer and shopworker is a 1937 graduate of Frederic High School. Inducted into the service in April, 1942, he received basic training at Camp Forrest, Tennessee, before embarking for foreign duty the following September. Prior to Bougainville he saw overseas service in the Fiji Islands, New Hebrides and Guadalcanal. His work has not gone unnoticed for he has been awarded the Soldier's Good Conduct Medal.

Mr. and Mrs. Ray Waite of Gladwin visited the former's father, Howard Green and his wife over the weekend.

Mr. and Mrs. Bartlund Eldred (Ann Brady) of Detroit are receiving congratulations on the birth of a son, John Brady, on Thursday February 24, at Highland Park Hospital.

Corporal Floyd Loskos leaves tonight for Camp Phillips, Kansas, after a 5-day furlough spent with his mother, Mrs. Kate Loskos. Coming to visit the Corporal over Sunday were Mr. and Mrs. Carl Loskos and son Roger and Mrs. Edward Morrissey of Grand Rapids, and the Clarence Eklens family of Bay City.

Pfc. Donald Feldhauser is back in good old U. S. A. after serving twenty months in the Pacific.

Mr. and Mrs. Homer Annis and daughters Myra and Della of Midland were here over the weekend.

Arthur Feldhauser, Jr. left Wednesday for an army camp in Mass. after visiting his parents Mr. and Mrs. Arthur Feldhauser.

Mr. and Mrs. Rasmussen, Snyder

and daughter Margrethe Christine of Saginaw were guests of Mr. and Mrs. Oscar Hanson over the weekend.

Mrs. Douglas Stirling and children of Saginaw were guests of Mr. Mrs. Fred R. Welsh over the weekend. Mrs. Stirling was celebrating her birthday. William Palmer of Bay City was also a guest at the Welsh home.

Mr. and Mrs. Ray Clement have purchased the house that was owned by Mr. and Mrs. Phillip Frank, north of the city. This property was formerly owned by Postmaster and Mrs. James McDonnell and was moved to a site near the former Jens Eilerson farm on Rose Street and County road. Mr. and Mrs. Clement intend to make this their permanent home.

Aircrew Trainee Edmund A. Rutkowski, 20, son of Mr. and Mrs. Stanley Rutkowski, 700 Michigan Avenue Grayling, has arrived at the Army Air Force school, Perrin Field, Texas, for basic military instruction preparatory to entering a college training detachment for young aircrew-candidates. Under the training command program, Rutkowski will spend one to five months in special college work before he is classified as pilot, bombardier or navigator student.

**Where There's A Will There's A Way**

Members of the Home Economics Extension Study Groups in Roscommon and Crawford counties will attend a meeting on the topic, "Descent and Distribution of Property and Wills." The meeting will be held in Grayling on Wednesday, March 8, at the Grayling City Hall at 7 p. m. and in Roscommon on Thursday, March 9, at the Roscommon County Bldg. at 1 p. m. Miss Lucile Ketchum, Extension Specialist in Home Management, Michigan State University, will be in charge of the meeting.

Who may make a will? In what situations is a will desirable? When should it be made? What property becomes a part of your estate? How do you go about making a will? How will it be distributed without a will? These and other questions related to planning for future family welfare will be discussed.

**Appetite Not A Reliable Judge**  
Can your appetite tell you what to eat? Not entirely. The smart adult depends a great deal on science to tell him what and how much to eat. Science is constantly finding out more about the kinds and amounts of nutrients the body needs, the types of foods that contain these nutrients and how the nutrients work together in your body.

Appetite can tell you how much to eat if your weight is what it should be. But if you weigh too little or too much, you need science to help tell you how much to eat and what kinds of foods are best to eat.

## Local Income Gains Make Up For Inflation

(Special to the Avalanche)

NEW YORK — How much more money must the average Crawford County family have at its disposal today to live on the same scale as it did ten years ago?

To what extent have rising incomes locally compensated for the reduced purchasing power of the dollar?

On the basis of data from the Tax Foundation and from other sources, local families have more than made up for that deterioration.

The great majority of them have incomes today that provide them with a higher standard of living than they enjoyed back in 1956.

According to the Tax Foundation's findings, a family that had an income of \$4,000 in 1956 must have \$4,750 today, 18.8 percent more, just to break even.

The \$7,500 family must now be getting \$8,925 and the \$10,000 family, \$11,704, to live on the same scale as before.

In Crawford County, the average family has done better than that, according to the Standard Rate and Data Service. From an income of \$2,783, in 1956, it advanced to \$3,190 by last year, an increase of 12.4 percent.

The local gain compares favorably with that reported for most other parts of the United States, where it amounted to 40.1 percent in the ten-year period. In the State of Michigan there was a 46.7 percent rise.

Steadily rising incomes have become a necessity if people are to meet the higher taxes imposed by all levels of government and to keep abreast of the year-by-year increase in the cost of living as a whole.

Throughout the State of Michigan, according to the Tax Foundation report, state and local taxes rose from \$184 per capita in 1957 to \$290 per capita in 1965. It was a jump of 57 percent.

In the other section of the country, the increases ranged from 37 percent, in Oregon, to a high of 119 percent, in Delaware.

During 1967, living costs are expected to keep rising. Social security taxes have already gone up and may go still higher before the year ends. Prices of most goods and services continue to climb. Also in prospect is an increase in Federal income taxes.

To keep pace, wages would have to go up. And the higher wages would add to production costs, forcing retail prices still higher, thus completing the inflationary cycle.

### CARD OF THANKS

I wish to express our appreciation for the thoughtfulness of many who offered sympathy at the death of my beloved mother. Our special thanks go to Mr. and Mrs. Fraser Dean, Mr. and Mrs. Leonard Knibbs, Mr. and Mrs. Jack Trudgeon and the Grayling Teachers' Club.

## Did You Know

That there is a difference between the Latter Day Saints of Utah and the Reorganized Church of Jesus Christ of Latter Day Saints.

After the death of President Joseph Smith in 1844 many ambitious leaders arose, endeavoring to take charge of the church. Among the most aggressive of these was Brigham Young who led the famous migration to Utah. There, eight years after the death of Joseph Smith, the infamous doctrine of polygamy was first taught publicly. No word in favor of "plural marriage" or their other innovations can be found in any of the church publications before the Prophet's death. By 1880 a ruling was made in the Lake County Ohio court, part of which follows: "That the church in Utah, known as Salt Lake Mormons, has materially and largely departed from the faith, doctrines, laws, ordinances, and usages of said original Church of Jesus Christ of Latter Day Saints, and has incorporated into its system of faith, the doctrines of celestial marriage and plurality of wives, and the doctrine of Adam-god worship, contrary to the laws and constitution of said original church; and the court do further find that the Reorganized Church of Jesus Christ of Latter Day Saints, is the true and lawful continuation of, and successor to the organized church in 1830, and is entitled in law to all its rights and property." The Utah church has no prophet, has changed the Book of Mormon from the original manuscript—and has had no revelations since their departure. For a tract entitled Differences That Persist, explaining more fully the beliefs and practices of the Utah Mormon Church, write Avalanche, Box F, Worship God this week; regards, members of the Reorganized Church of Jesus Christ of Latter Day Saints. ### G. A. A. NEWS

Saturday, February 11, Mrs. Taylor and five G. A. A. members attended Activity or Leadership Day at M. S. U. They held a meeting on the campus with other members from around the state. They also participated in sports, swimming, modern dance and even Judo.

At the last meeting Mrs. Taylor proposed a play day with Houghton Lake. We voted affirmative and it will be held some time in March. We also discussed a Ski-Doo party as a possibility for our February activities. And it was decided that Mrs. Taylor should check on it and give the results at our next meeting.

On February 14th we had a Valentine's Party. We had hot dogs, potato chips, lemonade and chocolate pudding. Linda Hatfield brought a treat of heart-shaped cookies that her mother made.

This week we make fruit cups. At our next meeting we are going to have a show and tell day. In other words each girl is going to demonstrate something we have learned, such as how to make sandwiches look attractive, or how to measure flour and shortening and milk.

Carol Reed, reporter

The Busy Fingers knitting and sewing group have been keeping themselves busy by making doll clothes that will be donated to the kindergarten and also many have started their project for Achievement Day. We also had a Valentine party last Wednesday and are planning another one for the future. Respectfully submitted

## Chamber of Commerce Minutes

Regular meeting, Grayling Regional Chamber of Commerce, Skyline Ski Area, February 9, 1967. The meeting was called to order at 12:15 p. m. by President Kraus. Members present: Gerry Burns, Ray Elsey, Billie Forbes, Bernard Fowler, Bill Kraus, John Latuszek, Ed Rutkowski, and Don Welsler. Members absent: Sandy Thompson. Guest: Marilyn Longworth, Pageant Director, also Earl "Chum" Longworth, manager.

Motion by Ray Elsey, seconded by Gerry Burns, that the reading of the minutes hereafter be waived because each Board member has received a copy of the minutes in the mail—and has already read them. All Ayes.

Motion by Billie Forbes, seconded by Bernard Fowler, that the minutes of our January 26th, regular meeting be approved as printed. All Ayes.

Communications: Mr. Longworth read a letter from Scott Supinger of the Old Car Club informing us that he will be in Grayling Saturday, February 18th, for a planning meeting with regard to their proposed tour.

Manager Longworth also read a letter from Mr. Parker, manager of the Midland Chamber of Commerce with his comments on their experience with the group. He said they have always conducted themselves very well, are enthusiastic, and seem to have a very good time.

A communication was read from Errol Burton, Chairman of the Au Sable River project of the Michigan Skin Diving Council. This group also plans to be in Grayling Saturday, February 18th, to meet with the representatives of the Conservation Department, Chamber, and Canoe Livery Association to formulate plans for their river cleanup tentatively set for May 20-21.

Treasurer Billie Forbes gave a report on disbursements since our last regular meeting and informed the Board of the Chamber bank balance. Motion by Ed Rutkowski, seconded by Don Welsler, that the Treasurer's report be accepted as read. All Ayes.

A list of bills to be paid was then presented for the approval of the board by Treasurer Forbes. Motion by Don Welsler, seconded by John Latuszek, that these bills be paid.

Marilyn Longworth told the Board that plans for the Pageant are coming along just fine. The fine picture of Vicki and Karen, taken by Wayne Clark our ambassador of good will without portfolio from Lansing, has appeared

in fifteen downstate newspapers and his release has been picked up in 20 papers. Houghton Lake Radio, Mort Neff, and Channel 9 and 10 TV have promoted the event. More newspaper, radio, and TV interest has been shown than ever before. Everything points toward a good attendance.

Reports of Committees: Bylaws: some discussion was had with regard to the proposed changes in the bylaws. Major Rutkowski suggested that a special meeting be called for the purpose of discussing these changes as more time is needed than can be had at a luncheon meeting. Manager Longworth agreed to arrange for such a meeting.

Because of the membership chairman's duties, selection of a membership committee etc., will depend on the outcome of the revision of the bylaws, it was decided that this item on the agenda be also deferred to the special meeting.

The next order of business was the election of a Second Vice President. President Kraus called for a written ballot, and Major Edmund Rutkowski was seated as the Second Vice President of the Grayling Regional Chamber of Commerce.

A discussion was had relative to the disbanding of a Distinguished Citizen Dinner during Michigan Week. After discussion the Board felt that because a distinguished citizen is honored at the Annual Chamber Dinner, they did not want to parallel this event. It was suggested that a testimonial to the presidents and leaders of the many organizations in Grayling be presented during Michigan Week. Billie Forbes agreed to chairman this first annual President's Day dinner.

New members: The application of Peter Olson's Polly Ann Beauty Shop in Gaylord for associate membership in the Grayling Regional Chamber of Commerce was presented to the Board. Motion by Gerry Burns, seconded by Don Welsler that this membership be accepted. All Ayes.

The meeting of the resort and motel owners was discussed, and although attendance was small, it was felt that meetings of this type are beneficial.

Mr. Ralph Morse invited the Board for a scenic ride on the chair lift at the close of the meeting. Motion by Ed Rutkowski, seconded by Billie Forbes, that this meeting be adjourned at 1:30 p. m. Next meeting to be held 23 February 1967.

MARGE ROPER, Sec'y.

Before you move in  
know the facts  
about insurance

Fact 1: Fire insurance alone on home and contents is not enough. Your home could be destroyed by windstorm, explosion or other hazard.  
Fact 2: Theft coverage of your possessions, at home and away, should be included.  
Fact 3: A lawsuit judgment against you could cost you everything you own. You need liability insurance.  
Fact 4: You get all this and more in one Homeowners policy... with one low premium!

## BITS O' TALK

Miss Linda Gothro came home from Butterworth Hospital School of Nursing, Grand Rapids, for the weekend, before starting in at Traverse City State Hospital for three months of psychiatric on-the-job training, which is a part of her schooling.

Mrs. Edmund Rutkowski and Mrs. Al Carribeau drove to Alma Friday and then to Saginaw to pick up the former's daughter Linda at Saginaw Business College and brought her home to spend the weekend.

Guests of the Tom Hoovers weekend before last were the Edward Hoovers and daughter-in-law and her son, all of Detroit.

Mr. and Mrs. DeVere Damm of L'Anse-au-Loup visited her parents, Mr. and Mrs. Frank Broadworth over the weekend.

Mr. and Mrs. A. J. Sorenson left Sunday for Pompano Beach, Fla., to spend the month of March on vacation.

Loose weight safely with Dex-A-Diet Tablets, only 98¢ at Mac's Drug Store.

Mr. and Mrs. Norval Stephan returned home Thursday after spending three weeks in Florida. They left here on February 2 and visited the James Robertsons (Leona Fowler) at Fort Pierce for two days, then went on to Ft. Lauderdale where they enjoyed ten days with Mrs. Milton Knight.

From there they went to Homestead and spent some time with the Barney Vallads, did some sightseeing around Pine Island and Cape Coral, and last visited Mrs. Stephan's mother, Mrs. Hazel Vallad for three days before starting home.
